

National Stage Entry of PCT/US03/025577
Preliminary Amendment dated October 13, 2005
Attorney Docket No. 117210.00045

Remarks

The foregoing specification amendment is made to clarify the relationship to the earlier related application, particularly in light of United States based prosecution practice. The claims are amended for consistency with the amended version of selected corresponding national stage applications..

Respectfully submitted,
